

PhD thesis final Viva voice of Mr. Manmohan Gupta (2017)

PhD thesis final Viva voice of Ms. Sneha Bharti Linda (2018)

**National Workshop on Radiation: A Powerful tool for Research in Physical, Chemical and Life Sciences during February 13-15, 2013**

**National Workshop on Radiation: A Powerful tool for Research in Physical, Chemical and Life Sciences during February 13-15, 2013**

National Conference on Nuclear and Accelerator Physics (NCNAP-2016) during October 04-06, 2016

National Conference on Nuclear and Accelerator Physics (NCNAP-2016) during October 04-06, 2016

International Conference on Nuclear, Particle and Accelerator Physics (ICNPAP-2018) during October 23-26, 2018

International Conference on Nuclear, Particle and Accelerator Physics (ICNPAP-2018) during October 23-26, 2018

International Conference on Nuclear, Particle and Accelerator Physics (ICNPAP-2018) during October 23-26, 2018

International Conference on Nuclear, Particle and Accelerator Physics (ICNPAP-2018) during October 23-26, 2018

5 Year integrated M.Sc. in Applied Physics (9<sup>th</sup> Sem.) students attended MINI SCHOOL on Advanced Experiment in Physical Sciences at UGC DAE CSR Kolkata Centre and also visited VECC and SINP at Kolkata in 2016

5 Year integrated M.Sc. in Applied Physics (9<sup>th</sup> Sem.) students attended MINI SCHOOL on Advanced Experiment in Physical Sciences at UGC DAE CSR Kolkata Centre and also visited VECC and SINP at Kolkata in 2016

5 Year integrated M.Sc. in Applied Physics (9<sup>th</sup> Sem.) students attended MINI SCHOOL on Advanced Experiment in Physical Sciences at UGC DAE CSR Kolkata Centre and also visited VECC and SINP at Kolkata in 2016

**5 Year integrated M.Sc. in Applied Physics (9<sup>th</sup> Sem.) students attended MINI SCHOOL on Advanced Experiment in Physical Sciences at UGC DAE CSR Kolkata Centre in 2017 and 2018**

5 Year integrated M.Sc. in Applied Physics (9<sup>th</sup> Sem.) students attended MINI SCHOOL on Advanced Experiment in Physical Sciences at UGC DAE CSR Kolkata Centre in 2017 and 2018

5 Year integrated M.Sc. in Applied Physics (9<sup>th</sup> Sem.) students attended MINI SCHOOL on Advanced Experiment in Physical Sciences at UGC DAE CSR Kolkata Centre in 2017 and 2018

2 Year M.Sc. In Physics (3rd Sem.) students attended MINI SCHOOL on Advanced Experiment in Physical Sciences at UGC DAE CSR Kolkata Centre in 2018

2 Year M.Sc. In Physics (3rd Sem.) students attended MINI SCHOOL on Advanced Experiment in Physical Sciences at UGC DAE CSR Kolkata Centre in 2018
