शुभकामना संदेश

यह जानकर प्रसन्नता हुई कि झारखंड केन्द्रीय विश्वविद्यालय 06 मई 2022 को दूसरे दीक्षांत समारोह का आयोजन कर रहा है। दीक्षांत समारोह में आज यहां से डिग्री लेकर आगे के सफर पर निकलनेवाले सभी छात्र-छात्राओं को हार्दिक शुभकामनाएँ एवं बधाई।

आज यहां से अलग-अलग संकाय से, अलग-अलग विषय में, अलग-अलग उपाधियों से सम्मानित होकर युवा निकल रहे हैं। उस धन को लेकर, जिसके बारे में सुभाषितानी का एक मशहूर श्लोक याद रखना चाहिए :

**‘न चोरहार्यं न राजहार्यं न भ्रतृभाज्यं न च भारकारि!
व्यये कृते वधति एव नित्यं विद्याधनं सर्वधनप्रधानम्’।।**

जिसे न चोर चुरा सकते हैं, न राजा हरण कर सकता है, न भाई बांट सकते हैं, जो न भार स्वरूप ही है, जो नित्य खर्च करने पर भी बढ़ता है, ऐसा विद्या धन सभी धनों में प्रधान है।

ज्ञान और प्रेरणा की दुनिया में भारतीय परंपरा में स्वामी विवेकानंद आदर्श रहे हैं। शिकागो से लौटने के बार विवेकानंद को मद्रास के युवाओं ने रोक कर का था कि हमें संबोधित कीजिए। लंबा व्याख्यान था उनका। उन्होंने चार सूत्र बताये

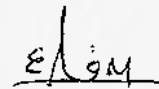

1. ध्येय निर्धारण 2. आत्मविश्वास 3. समर्पण 4. संगठन

स्वामीजी के बताये इन चार सूत्रों को आप जीवन में धारण करेंगे, उतारेंगे, ऐसा विश्वास है।

आज यहां से डिग्री ले रहे विद्यार्थियों को काशी विद्यापीठ के 1929 के दीक्षांत समारोह में गांधी जी के एक भाषण का स्मरण कराना चाहूंगा। उन्होंने कहा था, ‘स्नातकों को यह जो कागज का पुर्जा प्रमाण-पत्र दिया गया है, वह कोई बड़ी चीज नहीं है। वह तो कुलपति के आशीर्वाद की निशानी है। उनमें प्राण-प्रतिष्ठा हो गई है, ऐसा मानकर आप उसका संग्रह तो करें, पर ऐसा न सोचें कि उससे आजीविका का प्रबंध कर लेंगे या धन पैदा करेंगे आजीविका का प्रबंध करना इन राष्ट्रीय विद्यापीठों का ध्येय नहीं है। इससे आजीविका भी प्राप्त हो जाती है, पर समझ ले कि आप यहां राष्ट्र को अपना जीवन समर्पित करने के लिए आते हैं’।

विश्वास है, यहां से जो छात्र डिग्री लेकर निकल रहें हैं, वे देश-दुनिया के कोने-कोने में जाकर अपनी प्रतिभा, कर्मठता से सफलता की मिसाल तो कायम करेंगे ही, साथ ही सार्थकता को भी साबित करेंगे।

पुनः सभी विद्यार्थियों को अशेष शुभकामनाएं। झारखंड केन्द्रीय विश्वविद्यालय के माननीय कुलपति, सभी प्राध्यापकों और कर्मियों को दीक्षांत समारोह आयोजन के लिए बधाई।

HON'BLE VICE CHANCELLOR'S REPORT

Esteemed Chief Guest to-day, Smt. Annapurna Devi, Hon'ble Minister of State, Ministry of Education, Govt. of India, Chancellor of this University, Justice V.N. Khare (Absent), Members of the Executive Council, Academic Council, Building Committee and Finance Committee, Deans, Faculty Members, Scholars and Students, Media Persons, Ladies and Gentlemen:

It is indeed a proud event for me to welcome you to this memorable occasion, the second convocation of the CUJ. It is the moment, which both the teachers and students cherish; an occasion for the celebration of their accomplishments. I congratulate and wish you all the best.

As you all know, this University has completed 13 years of its existence. It was established in 2009 along with 12 other Central Universities. We are in an evolving stage, a formative stage; eventually struggling to establish our credibility. Of course, it is important to address the shortcomings in our system, but at the same time, it is equally significant to forge forward with a bold and aspirational vision. It is obligatory on my part to put forth the achievements of this University during last one year and highlight the immediate future action plan.

I dare say, the University is on the threshold of having an "Institution Development Plan", which a long-term perspective plan is fragmented in to annual activity plan. The Mission and Vision of the University is in the process of revision to suit to the national agenda of transforming our country as a Super Knowledge Economy and becoming Atma Nirbhara Bharat within the time frame of Amrit Kal i.e. 25 years from now on to 2047. The University has fixed a target to enhance the enrolment of tribal students at least to a 20 % in every discipline and programmes starting from B.Voc to Degree and Doctoral programs, to unlock their potentials and empower them to become entrepreneurs while participating both on national and international level competitions.

In the present situation, I am immensely proud to announce that despite our limitations, we could introduce the National Education Policy 2020. The intents and the contents of this policy were consciously adhered to while implementing its nuances. The University has addressed the systemic issues like regulatory and statutory requirements. Simultaneously, we have undertaken the reforms like restructuring and consolidation of existing academic departments and changing the nomenclature of subjects. To encourage Holistic and Multi-disciplinary education the University has built a balanced portfolio of programs. From this year we are introducing seven new Social Science and Language courses, such as Philosophy, Sanskrit, Economics and Development, History

and Culture, Sociology, Psychology and Political Science. For the ensuing session the admission process to 23 Five Year Integrated Courses has already started through Central Universities: Common Entrance Test (CUET) conducted by NTA.

The University, for that matter, had undertaken one University Curriculum Assessment work that mapped the existing courses and later it will be benchmarked with domestic peers. The curriculum is designed as per the National Curriculum Framework with flexibility to enable Multiple Entry and Exit at 1st, 2nd and 3rd years. The University thus empowers the students with greater freedom to opt for different courses beyond the core subjects of their discipline depending on their interest. It can be obtained from SWAYAM or from NPTEL. The credit requirement will be coordinated by Academic Bank of Credit. Even yesterday, we took a decision to allow the students to pursue 2 Academic programs simultaneously. University will incidentally facilitate a tie up with leading ODL Universities.

During the past few days we have strengthened our e-resources to promote blended learning. The University has already set up 12 Flipped class rooms with interactive boards. The University had since long constituted one R&D Cell for Ease of Doing Research and created a vibrant research ecosystem. We have set up one Central Instrumentation Facility (CIF), engaging very eminent and high profile academic professors and researchers as Mentors, some of them are Bhatnagar and Padma Awardees. Till date during this one year period after the second covid lockdown the University teachers have received around Rs 2 crore of research projects from different agencies like CSIR, DST, DBT, ISRO, ICSSR etc. Apart from that there were two US patents. Our faculty members have published 161 papers in peer reviewed journals like Nature, Scopus and SCI Indexed etc. I am proud to share that three of our faculty members have received recognition for their outstanding research works. Dr Bhaskar Singh, is enlisted in the top 2% of the world scientists in the report published by Elsevier. Dr. Bhupendra Singh received start up awarded from Govt. of India, Similarly Dr. Basudev Pradhan, Dr Avijit Ghosh brought laurels to this university. Preference of JRF and NET students is a manifestation of our research ambience. We have now 50 NET, JRF scholars enrolled in doctoral programmes.

In order to comply with the local and national needs two Multi-Disciplinary research centers were set up. Birsa Munda Centre of Indigenous Knowledge and Sustainable Development; and Center for Environment, Society and Governance to supplement the corporate strategies. Besides this The Center for Green Energy Efficient Technology and Center for Endangered Language are strengthened. To promote cutting edge research, the University has signed MoUs for collaboration and hand-holding with IIT-Dhanbad, IIT- Roorkee and ISRO. Very soon one is going to be signed with National Institute for Science Education & Research (NISER), Bhubaneswar, an organ of Ministry of Atomic Energy. The other dimensions like Student Experience in Inter- institute Studies (SEIS) are also embedded in these MoUs.

The University is conscious of its Social Responsibility. Our Water Engineering Department is in the consultancy group of the state government on a project for conservation, regeneration and security of water resources of the state. This consultancy work is a multi-disciplinary one that involves our Environmental Science and Energy Engineering Departments. We have launched “Senior Secondary School Teachers’ Orientation Programme”, where knowledge about recent developments in their respective domains is shared by our faculty members. Even high school students are invited for a campus visit to enhance their aspirational level. Till now, one program on each of these has been conducted. The vacation period will be utilized for this purpose. With regard to our “Neighborhood Connect” program, we have organized seven activities under the banner of Ek Bharat Sresth Bharat and Unnat Bharat Abhiyan.

Before I conclude, I am proud to announce that the University has set up Dr Ambedkar Center of Excellence (DACE) supported by the Ministry of Social Justice and Empowerment. We are also assured by our own Ministry for setting up a Chair Professor Position in the name of the great saint of MAHIMA Sect “Santh Bhima Bhoi ” from the next academic session. We are indeed grateful to our Ministry for this consideration. The university contemplates to establish one “Education Technology Center” from the next session. We believe in Team work, Timeline and Transparency for Transformation and Turnaround.

Last but not the least, I congratulate our students, who are getting the certificates today and wish them a meaningful future. I sincerely thank Hon’ble Minister Smt. Annapurna Devi for gracing the occasion and delivering the Convocation Address. I thank our EC members for their assistance, support and guidance; and the faculty and staff for their care, concern and cooperation. No matter what we have achieved so far, we can still reach greater heights through our confidence, commitment and conviction. Let us all take up the singular pursuit to make CUJ a Centre of Excellence.

Thank You !
