

WEBINAR On COVID 19: A CHALLENGE AND OPPORTUNITIES FOR LIFE SCIENCES COMMUNITY

JUNE 05, 2020, 02.30 PM onwards

Organised by: Department of Life Sciences, Central University of Jharkhand, Ranchi

ABOUT THE WEBINAR

The outbreak of coronavirus disease (COVID-19) has been declared a Public Health Emergency of International Concern (PHEIC) and the virus has now spread to many countries and territories. A lot is still unknown about the

novel coronavirus. The global COVID-19 pandemic will have profound and lasting impacts on human health and on Life Science Research and Industry. The rationale of nucleating this Webinar is to bring together leading academician, scientists, government policy makers, people

from Life Sciences, industrial and research scholars in one platform and share their experience, research work and the opportunities available for life science community in the post COVID-19 era.
