Vice Chancellor

Central University of Jharkhand

Brambe, Ranchi 835205

It's a matter of great pride for all of us to realize that Central University of Jharkhand has successfully completed ten years of its establishment. So, it becomes imperative for us to acknowledge this momentous occasion and pay tribute to our past. Releasing a Coffee Table Book on the decennial celebrations can be one such effective means by which we can evoke our history and remember those nostalgic moments which have enriched our yester years and have cultured our present.

On this occasion I congratulate and thank every individual who have made contributions to the development of our university. I am quite confident that this coffee table book will successfully bring out those glorious moments from the annals of the past, enrich our present and inspire us to take strong strides into the future.

Upfront we would like to express our gratitude towards our hon'ble vice chancellor Prof. Nand Kumar Yadav 'Indu' who is the brain-child behind the Coffee Table Book of Central University of Jharkhand. The upcoming decennial celebrations in March, 2019 is an opportune occasion to reflect on the vignettes of our past history.

CUJ has a chequered past of last ten years. Within these ten years it has taken long strides towards its bright future. Being the only central university in the state of Jharkhand, it offers a lot to the entire population of Jharkhand particularly in the field of higher studies and our university is well poised to deliver and contribute to the entire sections of the society. Located in the tribal area of Jharkhand university attracts students not only from the state but all across the country. Even teaching and non-teaching staffs hail from the different states of India, thus maintaining the national fabric of the university. Within the short span of ten years, alumni have secured illustrious career for themselves and have brought laurels for the university. This coffee table book chronicles all this and much more.

It endeavors to roll back the time, showcasing all the major events of the last ten years that includes various cultural and academic events involving our students and staffs. It reflects upon the eminent personalities who made their benign presence and graced our university through their visits. The book features the pioneers who did substantial contribution and set benchmark for the later generation to follow.

Further, this book intends to capture the spirit of our university, immortalizing its past, reflecting upon the faces and voices of those who might have been there at the beginning many years ago and to celebrate its passion for education.

We hope readers will thoroughly enjoy plunging into our past through this book and find themselves enriched at the end.

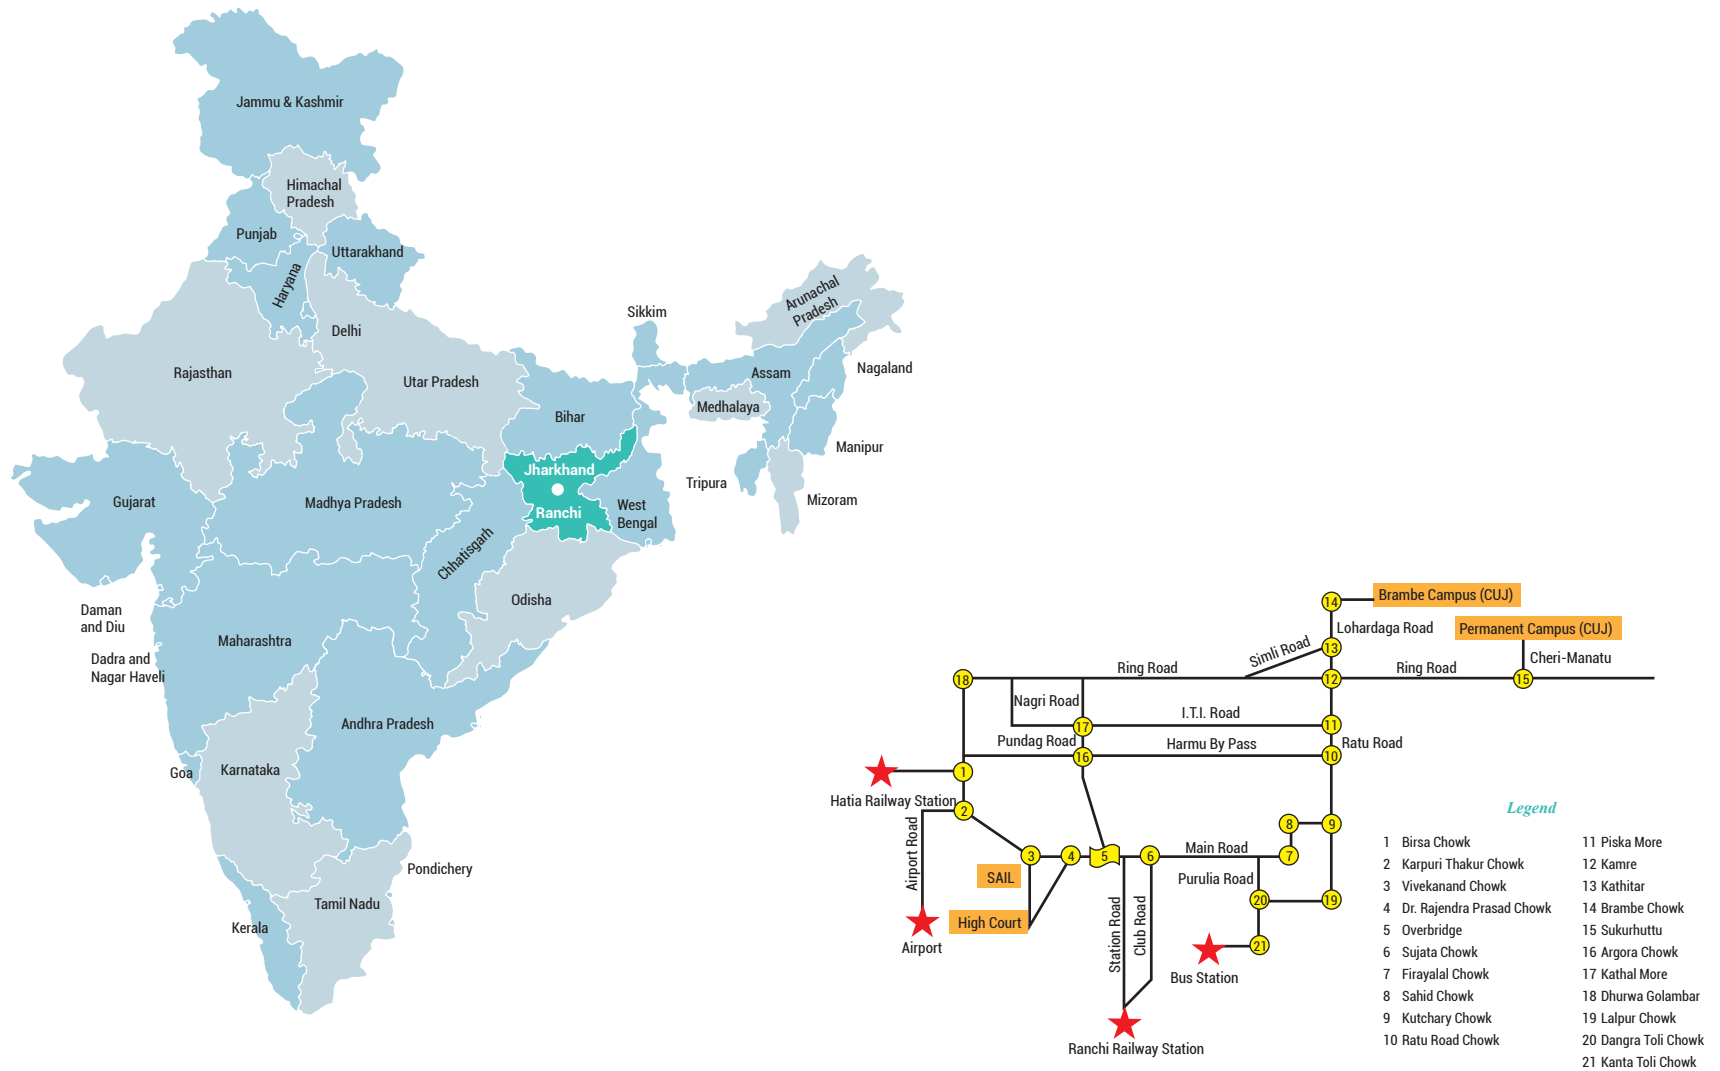

We wish you a delightful reading!

Central University of Jharkhand was established in the year 2009 and started its operation from the same year. The university is presently functioning from its temporary campus at Brambe, 25 kms from Ranchi town. Presently the university offers Post Graduate and Ph.D. programmes in various disciplines that include MBA, Mass Communication and tribal studies, Water, Nano and Energy Engineering. Eventually it will move into its 500 acre campus in Cheri-Manatu where construction process is under way.

The Vice Chancellor of CUJ

Prof. D.T. Khating

Founder Vice-Chancellor

(1st march, 2009-28th February 2014)

Prof. D.T. Khating : Man with a vision and large heart, he was the first vice chancellor of Central University of Jharkhand who laid the foundation of the university. He chose to run the university from its present location at Brambe and also initiated the construction work at the permanent campus at Cheri-Manatu. The university being located in the tribal area, he put special focus on tribal studies and opened tribal departments in the university. His tenure is particularly remembered for lavish celebrations of 'Salva Tagore' in the year 2011 and celebration of tribal festival 'Akhra' in the year 2012 and 2013. Pristine structures of the buildings of the permanent campus reflect his rare vision and magnificent eye.

Prof. A N Mishra

Vice-Chancellor In-charge

(1st March, 2014-31st July, 2015)

Prof. A.N. Mishra - He worked as an interim vice chancellor for over sixteen months till Prof. Nand Kumar Yadav 'Indu' took charge from him in the year 2015.

Prof. Nand Kumar Yadav 'Indu'

Vice-Chancellor

(1st August 2015...)

Hon'ble Vice Chancellor Prof. Nand Kumar Yadav 'Indu' : He took charge of Central University of Jharkhand as vice chancellor when the university was experiencing its toughest times. Amidst the chaos and confusion that prevailed in the university in the wake of imposition of sine die, university was in dire need of a vice chancellor with sensitive heart, firm determination and dauntless courage. Cometh the moment, cometh the man. He came, he saw and he conquered the adverse times with alacrity and unusual firmness of will. He steadied and stabilized the university and finally established the rule of law. Now he is well poised to move towards his twin vision of shifting the university to its permanent campus and securing decent grade in NAAC and NIRF evaluation.
