Integrated MBA
2011-2016

Centre for Business Administration

When you have something
to prove,
There's nothing greater than
a challenge.

Central University of Jharkhand
Brambe, Ranchi - 835205

Knowledge to Wisdom

About CUJ

Central university of Jharkhand (CUJ) established in 2009 by an act of parliament, is a young, vibrant and futuristic non-affiliating university. His Excellency, Shri Pranab Mukherjee, Hon'ble President of India is the Visitor of the University. CUJ is presently operating from a 45 acres beautiful temporary campus, situated at Brambe, 25kms from Ranchi, with a permanent campus coming up in a sprawling 319 acres at Cheri- Manatu, Ranchi. CUJ has 7 schools and 22 centres imparting quality education in Science, Technology, Social Science, Languages, Business Management and Journalism & Media Technologies, mostly conducting 5 year integrated courses and PhD programmes.

About the Centre

The Centre for Business Administration is presently offering a 5-year Integrated MBA, Ph.D. programme and customized short-term executive development programs catering the needs of both industry and academics. With a mission to encourage critical thinking, leading towards deeper understanding of management and developing leaders, the IMBA curriculum has been designed by experts considering industry expectations. The pedagogy adopted by the centre does not restrict students to classroom teaching only, but also allows them to enrich their learning through industrial visits, case studies, role-plays, leadership training, personality development programs, summer internship and live projects.

Message from The Vice Chancellor

Dear Friends,

I take this opportunity to present 30 postgraduates from the Centre of Business Administration of the Central University of Jharkhand for placements in leading organizations in India.

The Centre for Business Administration seeks to provide the best possible opportunities to its students and it disseminates all the pertinent skills and the right attitude required to produce a successful post graduate in Business Administration.

The Centre upgrades its syllabi frequently in order to keep pace with changing need of the global business scenario. The current batch of IMBA students have not only gone through a rigorous academic training program at the centre but also have undergone summer internships at leading firms. They are now ready in all respects to enter the corporate arena and contribute to the growth of the institutions they are to join.

As the head of the institution, I invite your executives to the university to interact with the students and to provide them with an opportunity to work in your organization. I am sure they will prove to be an asset to your firm.

We look forward to your limitless support and patronage for recruiting our students of IMBA (2011-2016) batch.

Prof. Nand Kumar Yadav 'Indu'
Vice-Chancellor

Message from The Dean

Dear Friends,

It is a matter of great pride for me to address you as a potential recruiter and talent seeker from Centre for Business Administration, Central University of Jharkhand (CUJ), Ranchi. I am pleased to convey that our young and vibrant Centre has touched appreciable landmarks since its inception in 2009.

The Five year Integrated MBA at CUJ seeks to inculcate the students with the latest knowledge and skills in managing contemporary businesses. In addition, fullest efforts are made to nurture basic human virtues making them good human beings-honest, sincere, dedicated and hardworking.

We, at Centre for Business Administration (CUJ), continually strive towards creating and building industry partnerships for our students. We constantly work towards sustaining the mutually beneficial relationship we share with every respected organization, such as yours, so that the synergy created helps both the students to thrive and the corporates to select from a rich pool of talented individuals.

Once again, we present to you 30 of the best minds in the country, who have risen to be thought leaders and take this opportunity to invite you to our university and urge you to interact with our students and faculties to have a first-hand feel about us. We are sure that our students would be able to match your expectations and would contribute their best to achieve the goals of your Organization.

I sincerely hope that the association between CUJ and your organization will be taken to greater heights in the current and forthcoming academic years.

Dr. Ashoke Kumar Sarkar
Dean, School of Management Sciences &
Head, Centre for Business Administration

Ranchi University	

Pedagogy

Prof. Jean Dreze
Development Economist &
Honorary Professor, Delhi School of Economics

- **Case Study approach** allows application of theoretical skills to real life unstructured problem through practice of putting students into shoes of manager has proved to be a successful approach to learning over the years. Applying this approach, CUJ exposes its students to real life case studies, covering wide array of subjects, discussed among the students and teaching fraternity in the classroom enhancing learning.
- **Team Projects** being an integral part of the CUJ curriculum allows students to prepare for various subjects throughout the curriculum. With the combination of the insightful research and analytical thinking on a topic, reflecting what is taught in the classroom and its relation to the current business scenario, is a perfect mix of academic research and practical scenario which is central at CUJ.
- **Industry Aligned Pedagogy** is promoted at CUJ through sessions and interactions from industry experts as well as live project of course curriculum. This ensures a continuous industry interaction process aiming towards providing students with an insight into current global trends and future business opportunities.
