

“IQAC Lectures and Training Program”

The vision of Internal Quality Assurance Cell is “To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.”

The objectives of IQAC, CUJ are:

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

In this backdrop, it is proposed to develop a system for conduction training programs, workshops and lectures on various facets of University functioning – Teaching, Research, Consultancy, Admissions, Training & Placements, Finance, Administration, Recruitment, etc.

Overview of Quality Framework

IQAC is planned for the University Faculty Members and Non-teaching staff with focus Quality Framework in the various departments supporting the University academics and research.
