

झारखण्ड केन्द्रीय विश्वविद्यालय  
**Central University of Jharkhand**

(A Central University established by an act of Parliament of India in 2009)

CUJ/VC/ /2020

Date: 23<sup>rd</sup> March, 2020

**My dear students!**

**As we are all aware, this is the toughest time humanity all over the world is experiencing. COVID 19 has claimed thousands of lives across the nations and death tolls are still rising. Our country also is not aloof from its adverse effects. Now, patients of COVID 19 are increasing every day and it is likely to increase in geometric proportion as numbers are multiplying in our country. This is further causing extreme pressure on our limited health care system. In view of this catastrophe different state governments have already decided to lockdown their states as one of the important preventive measures to contain the spread of virus.**

This is an hour of crisis for our university as well. Prevention is better than cure. Therefore, necessary timely precautions observed can save the mankind from this calamity to a large extent. I wish you to be prepared by strengthening the immune system and also observing following hygiene measures :

- i. Stay at home, don't travel while sick, cover your mouth and nose with tissue paper or your sleeves and not with your hand when coughing or sneezing and use three layer mask.
- ii. Wash your hands frequently with soap and warm water or alcohol based hand sanitizer.
- iii. Keep your fingers away from eyes, nose and mouth.
- iv. Avoid close contact with people who are infected.

At this crucial juncture, in light of the MHRD Letter D.O. No. Secy(HE)/MHRD/2020 dated 21.03.2020 and UGC Letter F.No. 1-14/2020(Website) dt. 21.03.2020, our office has issued notice vide No.CUJ/Reg/2020/210320-2 dated 22<sup>nd</sup> March, 2020 the students are being directed for the strict compliance of the advisories issued by the MHRD as well as the UGC. In this connection, you are directed to utilize this period for various academic/research activities as you may not get sufficient time for contact classes and may not get sufficient time for the preparation of examinations due to paucity of time so that academic Calendar shall not be hampered much. You are therefore advised to:

- i. Be in touch with your course teachers for the online content, instructional material and online learning, preferably through WhatsApp by creating subject wise group.

- ii. Be in touch with your Heads/Coordinators for the course and lesson plan for current semester.

In this hour of crisis, I appeal to all my beloved students to come forward and fulfil your responsibility by making the society aware of the preventive measures. I call upon all my dear students to take special care of yourself, the elderly and the children and also make them aware of the preventive and precautionary measures from Corona virus.

**(Vice Chancellor)**
