

National Webinar

On

“Research Opportunities Over the Horizon in Physical Sciences”

Organized by

Department of Physics, Central University of Jharkhand, Ranchi

In Collaboration with

Indian Association of Physics Teachers (IAPT), RC-20

Objective of the Webinar

Students graduating with a Masters Degree find themselves at the crossroads, uncertain of the avenues available to them following their Post Graduations. The talks aspires to provide an overview of the emerging areas in basic and applied sciences along with the opportunities and challenges for research pursuits therein.

Dr. Sandeep S Ghugre

Scientist –H

UGC-DAE-CSR, Kolkata Centre,
Kolkata, West Bengal

**Topic – Research over the Horizon:
Opportunities at UGC-DAE-CSR**

Prof. Piyush Ranjan Das

VSSUT, Burla, Sambalpur
Odisha

**Topic – Smart Materials: Recent
Trend in Ferroelectric and
Multiferroics**

Date- October 2, 2021

Time : 3:00pm (Onwards)

Registration Link - <https://forms.gle/dNQUCCESAPhZeUtTA>

Organizers

Dr. S.C. Gupta , President. IAPT, RC-20

Dr. Manoj Kumar, Principal Ram Lakhan Singh Yadav College & Secretary, IAPT, RC-20

Prof. Sarang Medhekar, Dean, R&D Cell, CUJ, Ranchi

Dr. Dharmendra Singh, Program Convener & Head, Dept. of Physics, CUJ, Ranchi

Dr. Jayanta Kumar Baral, Assistant Professor, UGC-FRP, Dept. of Physics, CUJ, Ranchi
