10<sup>th</sup> December, 2021

Dear Sanjay,

The Ministry of Health and Family Welfare has been continuously reviewing and monitoring the COVID19 situation in the country to ensure that the multi-pronged surveillance, prevention and containment strategy is effectively implemented by the States/UTs. The ultimate aim is to contain the spread of Covid19 virus and various associated Variants of Concern (VoCs), reduce the number of hospitalizations & deaths.

2. In recent review meetings with the States/UTs, it has been noted that the enforcement of COVID Appropriate Behaviour has come down across States/UTs. Further, several new clusters of infection are also being reported in several States/UTs. A majority of these new clusters are being observed in schools, colleges and other higher educational institutes.

3. In this regard, I would request you to review this at your own level and ensure strict enforcement of COVID appropriate behaviour at all times and at all places in schools, colleges and other institutes of higher education.

Warm regards.

Yours sincerely,
