NOTICE

This is to bring to notice of all Heads/Coordinators and all faculty members that examination section is receiving sessional marks of students who had appeared for it very long time back. Moreover, some of the faculty are handing over the mark list, which is confidential, directly to the students. This is highly objectionable and if such acts are repeated, the matter will be reported to higher officials for suitable action. In this regard, it is suggested that the department should not withhold the marks list (even by oversight) and ensure that it reaches COE office duly forwarded by HOD in a sealed cover. It may further be noted that, henceforth, any requests for correction and addition in sessional marks will not be entertained. However, correction/addition/deletion in marks in recent (Even or Odd Exam) may be brought to the notice of Examination Section within one month of publication of results.
