सूचना / NOTICE

It has been observed that some faculty members have formed groups on Social Media and posting aggressive comments against the University Administration and creating an atmosphere of mistrust and non-confidence. There are many Grievance Cells constituted and are functional in the University for teachers and staff. Further, employees and teachers are free to talk to the University officers for redressal of their Grievances.

Hence, all the employees are hereby advised not to resort to such methods, which may not only tarnish the image of their own University but it may also attract various actions under CCS Conduct Rules/ICT/IT Acts. However, constructive suggestions are welcome.

This issues with the approval of the Hon'ble Vice-Chancellor.
