Dear Sir/Madam,

It has been observed that during the ongoing pandemic situation, the rate of reported domestic violence and gender-based harassment cases has also gone up. As we take all the necessary steps to flatten the pandemic curve, we need to be equally vigilant to make sure that shadow pandemic curve of intimate violence does not rise exponentially.

Breaking the cycle of abuse will require concerted collaboration and action between governmental and non-governmental actors including educators, health-care authorities, legislators, the judiciary and the mass media. It is with this thought, the Commission proposes to organize a 18-hour virtual discussion, spread over 3 days holding 6 dedicated hours of discussion on each day on various issues/ challenges faced by women and girls, 'physically or virtually'.

It is my pleasure to invite you to participate in the Webinar. You may also further extend the invitation to the faculty and fellow scholars, to enhance the participation in the deliberation. A line in confirmation would be highly appreciated, which may please be sent on neha.ncw@gov.in (Phone NO. 8937900189).

With kind regards.

Yours sincerely,

  
(A. Asholi Chalai)
