

Dated – 12th Feb, 2019

Query remarks asked from various vendors

Sr.	Description	Description	Remarks/Querie	CUJ remarks
No. 1	SECTION – VI LIST OF REQUIREMENTS Part I Contract period – 5 Years	BOQ Column-5 Units (please quote for 12 months)	May please clarify As per our understanding there should be 3 separate line item: 1.Design and Development, payment after completion of Design and Development 2. Hosting – Five Years, payment annually 3 Maintenance-Five	Please refer Corrigendum dated 12 th Feb, 2019, uploaded on University website www.cuj.ac.in
2	SECTION – VI LIST OF REQUIREMENTS Part I Installation and Commissioning of services shall be done at the earliest but not later than 7 days of after award of contract/letter of intent. For delayed delivery and/or installation and commissioning liquidated damages will get applied as per GCC clause	Annexure – I [E] Timelines [F] Period of Completion The entire work is required to be completed in all respects within Two months from the date of issue of the	years, payment quarterly or annually May please clarify: As per our understanding Annexure – I need to be considered.	Kindly ignore the line "Installation and commissioning of services shall be done at the earliest but not later than 7 days of after award of contract/letter of intent. University will consider Annexure I – [E] Timelines and [F] – Period of Completion as mentioned in the tender document.
3	With reference to your	acceptance letter.	clarification required	AS per the tender doc,

	tender notification for website design, Development, maintenance and hosting in eprocure.gov.in tender id 2019_CUJ_430537_1, Its quoted as dedicated Server with set of specifications.		is " Is it a dedicated server or the hosting to be done in shared server with such specifications"	vendor has to host the website on their dedicated server but the server may host other websites in the same server.
4	Page no. 34, [B] Scope of work	Feature of sending bulk SMS, email etc. Through portal	Please clarify whether we need to create provision of the feature or whether we need to send bulk SMS & email through the portal. If in case we need to send bulk SMS & email then please specify the number of SMS that would be sent in a year and also specify the number of people/staff/students to whom we need to send as this would impact prices.	Yes, website need to create this provision for future. (SMS)
5	Page no. 34, [B] Scope of work	Compliance for GIGW and other Government guidelines: The vendor has to through Government technical auditor etc.	Please clarify whether bidder need to comply with GIGW guidelines or whether bidder need to get GIGW compliance certified from STQC as this would impact prices.	The bidder has to abide by the provision of GIGW manual.
6	The Configuration mentioned in the Tender Document with dedicated server and 2 TB space is too high and not required for the website content scope. The quote with this configuration for 5 year hosting far exceeds the Tender value mentioned on official E-Procurement website for the tender as			Bidder has to submit the required specification for website development as per tender document.
